Dear Dana Families and Friends,

May Lunch [Menu](#)

State Testing

This Tuesday, we start state testing. Students require headphones for part of the test. Although school provides headphones, students are allowed to use their own, as we want our students feeling as comfortable as possible. However, please keep in mind that wireless headphones are not compatible with our Chromebooks. Students bringing their own headphones must be able to plug them into our devices. Again, the school will have headphones available for any student needing them.

Spring Photos for 6 & 7 grade students

Spring Photos for 6 & 7 grade students are scheduled for **Monday, April 29**. Order [forms](#) will be distributed to students when we return from break on April 23.

Pictures will ONLY be taken of students who turn in an order form on April 29. These students will be called to the MPR in the morning on April 29.

Photo questions can be directed to JW Photography 310-640-7212 or karen@jwpartypictures.com
